**Catch Me If You Can**
**Soy Luna**

[Intro] **C   G   D   Em**
       **C   G   D   Em**

[Primeira Parte]

 **C**             **G**
Let me own the dark
          **D**
Back to the start
            **Em**
Watching every footstep in front of me
 **C**            **G**
Been chasing fire
          **D**
Been walking over wire
**Em**
I see what I wanna see
 **C**               **G**
Going straight to my head
           **D**
I just can t pretend
   **Em**
What have you done to me?
**C**          **G**
I was walking the wall
         **D**   **Em**
Now I m a free fall

[Pré-Refrão]

**C**        **G**
I m a runaway
          **D**
Jumping out of place
       **Em**
Be my parachute

Be my parachute
**C**            **G**
 Throw me in the skies
         **D**
Nothing left to hide
       **Em**
Just the fireflies

[Refrão]

```
 C                        G
Catch me catch me catch me if you can
 D                      Em
Catch me catch me catch me if you can
 C                        G
Catch me catch me catch me if you can
 D                        Em
Catch me catch me catch me if you can

( C  G  D  Em )
( C  G  D  Em )

[Segunda Parte]

 C                        G
Hanging by a thread
                    D
Pushing back the edge
                    Em
Tracing words that said

It leads me right back to you
C            G
Underneath it all
                D
I may trip and fall
                 Em
But you re my feather wing

Wouldn t change a thing

 C                        G
Went straight to my heart
                  D
Let me out of the dark
Em
 What have you done to me?
C                    G
I was walking the wall
               D     Em
Now I m a free fall

[Pré-Refrão]

C            G
I m a runaway
               D
Jumping out of place
            Em
Be my parachute

Be my parachute
C                        G
```

```
   Throw me in the skies
                      D
Nothing left to hide
             Em
Just the fireflies

[Refrão]

  C                     G
Catch me catch me catch me if you can
  D                   Em
Catch me catch me catch me if you can
  C                     G
Catch me catch me catch me if you can
  D                   Em
Catch me catch me catch me if you can

[Ponte]

  Am                          G
Maybe I should hit the ground
                          Em
Maybe I mispelled a bound
               G
But I m not afraid at all
A                       G
 Everybody s dream I reach for this
                             Em
A leap of faith is worth the risk
                          F
But when I am with you I just wanna be free falling
