Letting Go

Lyrics by Natalie Bonelli
Performed by Sozzi

Capo on 1st fret

CHORUS 1:

(**C G Am F**)

Don t call me
Don t write
Don t show up in the middle of the night
You know that we needed
Some time and space to breathe

Break: (**C Am F G**) x2

(**C Am F G**)

I still recall the words you said to me
It s what you did not say that sets me free
Now how can I find peace of mind
When you keep coming back again
It s not OK for you to play
This game of see-saw with my head

(**Am G F**)

Now it hurts too much
And it hits too hard
And I won t play this part

CHORUS 1

Break: (**C Am F G**) x2

(**C Am F G**)

So now I say the things I want to say
Sometimes it s better letting go this way
I ll always know down in my soul
We really had so far to go
I ve given all I had to give
And now it s time for me to live

(**Am G F**)

And I won t look back

And I won't regret
Though hurts like hell
Someday I will forget

CHORUS 1

CHORUS 2:

(C G Am F)

Don't call me
Don't write
Don't show up in the middle of the night
To say that you've been thinkin'
Cause I know it's just the drink in you

Break: (C Am F G)

(Am G F Em/G)

It's funny how we seem to end up here
(Am G F D)
I never thought I'd see this soul disappear

CHORUS 1 (quiet)

Pause

(C G Am F)

And this is letting go
This is letting go
And this is letting go
This is letting go

CHORUS 1
