C **F** **C**
Say that I m a silly so and so

F **G** **C**
Tell me I m not clever, cute or cool

F **G** **E7** **Am**
Tromp on my big toe Darling, I still love you so

F **G**
I m just a crazy, lovesick fool

C **F** **C**
I know that I embarass you sometimes

F **G** **C**
Like when I threw your mom into the pool

F **G** **E7** **Am**
I yell a lot And you can t understand a word I say

F **G** **C**
But, hey, I m just a crazy, lovesick fool

F **G** **C**
I remember the night we met

F **G** **C**
It was in a laundromat

F **G** **C C**
You came into to wash your feet

F **G** **C C**
She was eating a pile of meat

F **G**
And that as they say was that

G
Oh...

C **F** **C**

At the moment I am indisposed

F **G** **C**
But when and if someday I get set free

F **G** **E7** **Am**
We ll find a little cottage With a swingset and a slide

F **G** **C**
And crazy, lovesick fools we ll be

F **G** **C**
And crazy, lovesick fools we ll be
