VERSE 1

[F#m]Some folks think I m greedy
And [A]I just take from you.[F#m]
And if I say it s true now,
[A]What good would that do?[F#m]
And if I wanted to be funny,
I could say that all that money
[A]That you spent on me was just from [F#m]fraud.
And if I wanted to be bitter,
I could say that little by little,
[A]All you did for me was no [F#]good.

CHORUS

[A]I didn t lose your [F#m]money.
[A]I didn t lose your [F#m]mo - - - - ney,
Oh no, your [C#]money just lost [F#m]you.[C#7]
You brought me [F#m]up this way,[C#7]
When just a little bit of [F#m]love[C#7]
Could have [F#m]changed [C#7]my [F#m]ways.

VERSE 2

Some folks help the needy,
Me, I just help myself
And if I shared with you now,
It would steadily decrease my wealth.
And if I saw you on the street
With worn-out shoes upon your feet,
I wouldn t spare you the price of a cup of tea.
I know you brought me from the gutter,
Helped me earn my bread and butter,
But I have a lousy memory.

CHORUS

INSTRUMENTAL

[F#m][C#7][F#m] x2

[A]I didn t lose your [F#m]money.
[A]I didn t lose your [F#m]mo - - - - ney.
[A]I didn t lose your [F#m]mo - - - - ney,
Oh no, your [C#7]money just lost [F#m]you.[C#7]
You brought me [F#m]up this way,[C#7]
When just a little bit of [F#m]love[C#7]
Could have [F#m]changed my ways,[C#7]
When just a little bit,[F#m]

When just a little bit,[C#7]

When just a little bit,[F#m]

When just a little bit,[C#7]

When just a little bit of [F#m]love,

love, [F#m]love, could have changed [C#7]my [F#m]ways.
