

**I Love You
Spain**

Standard tuning

Intro : **C F** x 4

C
If I could
F **C**
I d put away my sorrow
F **Am**
I wouldn t wait until tomorrow
G **F**
To let you know how I feel

C
If I could
F **C**
I d look you in the eyes
F **Am**
And it wouldn t be a surprise
G **F**
I would know what to say

F **G**
But I m afraid
Am
Of what s at stake
F
Of what a love like
G
This could do

F **G**
Oh it s my fate
Am
To hesitate
F **G**
From saying I love you

But I would if
You said you d never leave
This little promise
always to keep
This broken heart
that wants you

If I could
Every time you held me close

Remembering when love at most
Burned in flames
Died away

If I could
I'd take you by the hand
And I'm sure you'd understand
Why it is I want you so

But I'm afraid
Of what's at stake
Of what a love like
This could do

Oh it's my fate
To hesitate
From saying I love you

But I would if
You said you'd never leave
This little promise
always to keep
This broken heart
that wants you
