

Through The Barricades
Spandau Ballet

From: * (CSRC)

TAB Transcription by Luis Ferreira

Lyrics were posted by someone (?) else, but they were corrected by me.
Well, at least I changed them... :)

The chords to the strummed part were left unchanged, everything else was replaced by TAB. (Last time I forgot to mention the chords were not my own)

Thanks to Matthias Rohe (*) for his comments and suggestions!

Mother doesn't know where love has gone
She says it must be youth that keeps this feeling strong
I see it in her face that's turned to ice
And when she smiles she shows the lines of sacrifice
And now I know what they're saying as our sun begins to fade
And we made our love on wasteland and through the barricades

Mother...

...gone...

{ Now play the 2nd part of the lyrics just like you did before }

Father made my history
 He fought for what he thought would set us somehow free
 They taught me what to say in school
 I learned it half by heart but now that s torn in two
 And now I know what they re saying in the music of the parade
 And we made our love on wasteland and through the barricades

{ When you reach the double vertical mark, switch to the part below: }

Born on different sides of life
 We fear the same and feel all of this strife
 So come to me when I m asleep (sleep)
 We ll cross the lines and dance upon the streets
 And now I know what they re saying as the drums begin to fade
 And we made our love on wasteland and through the barricades
