

**Beautiful Wings**  
**Sparc**

**Am:** x02210  
**C:** x32010  
**F:** 133211  
**G7\*:** 3200xx

\*With the G7, I mute the last two strings. Just sounds better to me but it doesn't sound bad with the original chord either.

**Am**                      **C**                      **F**  
Pulling off your beautiful wings  
**C**                      **F**                      **G7**  
It's a horrible thing that you're gone  
**Am**                      **C**                      **F**  
I'm afraid of those beautiful things  
**C**                      **F**                      **G7**  
You're stuck in my dreams but you're gone

**Am**                      **C**                      **F**  
Walk this line of shadows and guilt  
**C**                      **F**                      **G7**  
This future I've built is drawn  
**G7** (hold)  
It's wrong

**F**                      **G7**                      **Am**  
I'll never look into your eyes again  
**F**                      **G7**                      **Am**  
I'll never look into your eyes again  
**F**                      **G7**                      **Am**  
I'll never look into your eyes again  
**F**  
My friend it's so real  
**G7**  
How I feel

**Am**                      **C**                      **F**  
Pulling off your beautiful wings
