

**Autumn
Sparks the Rescue**

Hello All,
This is my second chord sheet I ve been bored today haha. This is a song from a while ago which I still love and wanted to learn it. Unfortunately none of the tabs here were accurate so again, here s the tab I learned by ear and with the help of the acoustic youtube video from Sparks The Rescue themselves! If you know what some of the questionable chords are really called, comment down below. I hope you enjoy xx
This is an ACOUSIC rendition.
