Sparks the Rescue

Hello All,

This is my second chord sheet I ve been bored today haha. This is a song from a while

ago which I still love and wanted to learn it. Unfortunately none of the tabs here were

accurate so again, here s the tab I learned by ear and with the help of the acoustic

youtube video from Sparks The Rescue themselves! If you know what some of the questionable

chords are really called, comment down below. I hope you enjoy xx

This is an ACOUSIC rendition.

Girl, you remind me of summertime

But now you need time to clear your mind

F# G#m

You re tripping over what is wrong and right

E G#m F#

Just decide, I ve been waiting all night

[Chorus]

B
Think back, think back, to the summertime
F#
I would cross through these state lines

You were always on my mind
B
It should not be this hard to see
F#
How to get from point A to B
G#m E
Without losing sleep, without losing sleep

[Verse 2]

B **F#** **G#m**
 I will follow the electric lines
E **B**
 With my electric heart I then will find

 A way through all these damn street signs

 But I ll be there, I ll wait by your side
F#
 Ooo, by your side

[Chorus]

B
Think back, think back, to the summertime
F#
I would cross through these state lines
G#m E
You were always on my mind

It should not be this hard to see
F#
How to get from point A to B
G#m E
Without losing sleep, without losing sleep

[Bridge]

G#m Ebm

We spin, we spin

E **F#*** **G#m**

And fall onto the floor

Ebm **E** **F#***

You re such a lovely lady

G#m **Ebm** **E**

We spin, we spin

F#* **G#m**

And circle round once more

Ebm **E** **F#***

Though it s making me crazy, yeah

F#

I would cross through these state lines

G#m **E**

You were always on my mind

It should not be this hard to see

How to get from point A to B

G#m **E**

Without losing sleep, without losing sleep
