

**Big Boy**

**Sparks**

**E**

The earth is shaking, so am I  
If you don t run, it s suicide

**A            G**

Big Boy, Big Boy

**E**

My name is David, he don t care  
He s never nice, he s never scared

**A            G**

Big Boy, Big Boy

**E**

Big Boy comes around  
Throws his weight around  
Throws our girls around  
Leaves without a sound

**A            G**

Big Boy, Big Boy

He s well-equipped, the girls are sure  
Is that a guess, or something more  
Big Boy, Big Boy

We re bored to tears until he comes  
And then we re crying cause he s come  
Big Boy, Big Boy

Big Boy comes around...
