G A D
Everybody s stupid, that s for sure

Refrão -----

A
(Oh yeah) Everybody s stupid, that s for sure
D
(Oh yeah) Everybody s stupid, that s for sure
A
(Oh yeah) Everybody s stupid, that s for sure

G A D A D A D
Everybody s stupid, that s for sure

I light my filter, then reverse it
And burn a mouth that s weak on verbs
and nouns and nouns but I m not sore
Everybody s stupid, that s for sure

Chorus

I traded you for Jean and Myra
I traded them for the Mormon Choir
Now I got some music and the Lord
And I m feeling dumber than before

Chorus
