**Am** **D**  
Just when sin is quite the thing, there s one  
**Am**  
who holds quite tight to what had worked before  
What s his outlet, what s his secret,  
**D** **Am**  
is it something one can buy at some drug store?  
Could the gospel be his girl,  
**D** **B** **A B**  
Does he exercise by breaking 2 by 4 s?

**A B**  
Just what is his game?  
**A B**  
Could he be enticed?  
**A B**  
No one s quite lame

shall not, the Nice Guys will not win

She expressed a strong desire in relieving him of his anxiety  
She succeeded very well for now she s mother to a nice family  
If you had to call a winner you would call it her,  
though she might disagree

He could be enticed  
His game had to end  
But he s still quite nice  
She sees other men than him

No more Mr. Nice Guys  
Nice guys won t suffice  
No more Mr. Nice Guys  
The Nice Guys cannot and the Nice Guys  
Shall not, the Nice Guys won t suffice
