

**The Decline And Fall Of Me
Sparks**

C

Now I stutter, now I dribble

Em

Other than that, I m lots like I was then

F G C

The decline and fall of me

I just shaved my nose off, oh well

Other than that, I m lots like I was then

The decline and fall of me

F

Am

If I had a hammer I would drop it and break it

G

Look at the pieces

F

Am

Now I ve got a hobby, I collect frozen pizzas

G

Check out my pizzas

Now your jokes seem really funny

Other than that, I m lots like I was then

The decline and fall of me

C

G

Where s my mouth, man, this eating is rough on the shirts

C

G

Gee, I m sorry about the thermometer, nurse

C

G

Would you tell me again, which are girls, which are guys

C

G

Gee, I thought that this finger meant so long, goodbye

Chart position, bubbling under, drowning

And goodbye future Mrs. Mael, Mael

The decline and fall, decline and fall, decline and fall of me

I m fading away

I m fading away

I m fading away
