

White Women  
Sparks

Intro: B C# B C#

F#

What s good enough for Adam is good enough for me

B

I m awfully glad we got em

/G# A

They re easy to see (as long as they re)

F# B F#

White women everywhere

B

F#

C#

There s always a replacement, anytime, anywhere

F#

They walk without a swagger, their power s on the wane

B

But something deep within me

/G# A

Cries out all the same (it s gotta be)

F# B F#

White women everyday

B

F#

C#

To me it doesn t matter that their skin s passe

F#

As long as they re white

As long as they re white

C#

As long as they re white from head to toe

F#

As long as they re white

As long as they re white

C#

As long as they re white I ll have a go

F# B F#

White women, everywhere

The places that I m cruising, the places that I stay

Are filled with Anglo-Saxons

And I get my way

White women, everyday

You can see em blush, at least by light of day

I ve tried most every package from Peking to Berdoo

I m sticking with a brand name

I m sticking with you

Because you re a white woman, so very fair
