LAND OF SHAME

G , D

Theyre torching in the cities, theyre torching in the towns, but still they ask why.

Theyre dancing in the streets in the early hours, as the news it goes round. Theres a hunger in the nation thats tearing it apart, have you the heart to change.

G , D , C , G

Land of shame, Land of shame, Land of shame, Land of shame,

G , D

The history of a nation is measured by its gains, but where will it end. The money with the power, the weapons with the firepower; theyre owned by you. Youve heard the list of names, exactly whos to blame, is this our land of shame.

G , D , C , G

Land of shame, Land of shame, Land of shame, Land of shame,

Bb , C , G ...

Its a shame to think of what our country could be,
Its a shame to think of what our World could be, but wait,

G , D

Each and every man deserves a piece of land, a hovel is not a home. Tonight theyre going to get justice, tonight theyre going to show you, exactly how they feel.

G , D , C , G

Land of shame, Land of shame, Land of shame, Land of shame,

G , D , C , G

They dont want to talk, they dont want to reason, they just want change. They dont want to talk, they dont want to know, tonight theyre going to burn.
