G **Bm** **G**

If I go on too long

Em

Would you meet me in the middle

And I really want to feel it

G **Bm** **G**

And if you could ever even return my calls

Em

It d be a little bit better

Than the typical weather

G **Bm** **G**

If I go on too long

Would you meet me in the middle

And I really want to feel it

G **Bm** **G**

And if you could ever even return my calls
