

**My Friend Gorgeous George
Special Patrol**

Track 01 - Handy Hints from the Undertaker (2006)

E **C#m**
My friend you see, you re nothing but trouble to me,
F# **A**
You re nothing but a capital T from the word trouble you see,

And it s not easy...

E **C#m**
Georgie you see, you ll always mean the world to me,
F#
& I know you re only trying to please,
A
But you ll always be trouble you see.

We smoked one on the gravel driveway,
And I was kinda waiting for you to say it,
Cause I sorta thought that you felt that way anyway.

E **F#**
And we know we re no good for one another,
A **C#m** **G#**
He s not that clever, but he s like a brother.
E **F#**
And he ll open up his heart, when he s frying,
A **C#m** **G#**
He ll tell you he s leaving, well he ll die trying.

My friend you see, you re nothing but trouble to me,
You re nothing but a capital T from the word trouble you see,
And it s not easy...
Georgie you see, you ll always mean the world to me,
& I know you re only trying to please,
But you ll always be trouble you see.
