Never letting no one take it away

She found there s a better way, for you and me to be

F#m **B**

Look for the rainbow in every storm

F#m **A** **F#m**

Find out for certain loves gonna be there for you

You ll always be someone s baby

B **E**

Goodbye my friend

C#m

(I know you re gone, you said you re gone but I can still feel you here)
