

Holler
Spice Girls

Intro: **F#** **Ab** **Bbm**

F#/Eb / **Ab** / **Bbm** /

I wanna make you holler

Imagine us together

Don t be afraid to play my game

Ebm / **Bbm** /

Boy don t you hesitate

I won t keep waiting for you

To come and let me take

You to my fantasy room

You re gonna like it there

And all the things that I do

I ll treat you right

All through the night

We can do anything

I ll take you all the places you wanna be

(I ll take you there, I ll take you there)

I ll be your fantasy

Everything you want you will find in me

If you play my game yeah

F#/Eb / **Ab** / **Bbm** /

I wanna make you holler

And hear you scream my name (scream my name)

I ll give you rules to follow (ow)

So you can play my game (play my game)

Imagine us together (together)

Me driving you insane (driving you insane, yeah)

You will give into me (into me)

Don t be afraid to play my game (just play my game)

Ebm / Bbm

So what you gonna do

Now that I ve got you with me

You ve gotta show me boy

Cause nothing comes for free

Start from the bot

Work your way absolutely

Don t be afraid to play my game

We can go all night long

Doing things you thought you would never do

(And I won t tell you now)

I won t tell anyone

What we do it s just for me and you

So come and play my game

F#/Eb / Ab / Bbm

I wanna make you holler (ho ho ho)

And hear you scream my name (scream my name ye-yeah)

I ll give you rules to follow

So you can play my game (you can play my game)

Imagine us together (imagine us)

Me driving you insane (driving you insane)

You will give into me (into me)

Don t be afraid to play my game

I wanna make you holler (holler holler)

And hear you scream my name (if you scream my name)

I ll give you rules to follow (follow follow)

So you can play my game (you can play my game)

Imagine us together (imagine us)

Me driving you insane (driving you insane)

You will give into me (ah yeah)

Don t be afraid to play my game

I wanna make you holler

Holler holler holler holler holler come on

Holler holler holler holler holler come on

Ebm / Bbm

We can go all night long

Doing things you thought you would never do

(And I won t tell ya)

I won t tell anyone

Cause everything is just both for me and you

But you re gonna play my game yeah

F#/Eb / Ab / Bbm

I wanna make you holler (holler)

And hear you scream my name (holler-la)

I ll give you rules to follow (follow-la)

So you can play my game (you can play my game)

Imagine us together

Me driving you insane (me driving you insane)

You will give into me (into me)

Don t be afraid to play my game

I wanna make you holler

And hear you scream my name

I ll give you rules to follow

So you can play my game

Imagine us together

Me driving you insane

You will give into me

Don t be afraid to play my game
I wanna make you holler
I ll give you rules to follow
Imagine us together
