Can t Kick the Habit - Spin Doctors  
=====

**G Em**

**G**

Can t kick that habit

**Em**

I guess you know

**G**

What conversation

**Em**

But here I go

**Am**

**B**

I can t stand it

**C**

Facing this alone

Don t change the subject  
If it s not clear  
Don t say you re sorry  
Then disappear  
Because that means nothing  
Nothing if your not here

**Em7 D**

Can t turn it off alone (3x)

CHORUS:

**G**

I can sing

**Dm7**

But I can t sigh

**C**

I can barely breathe the air I need

**Cm**

**G**

To justify why I sank so low

**Dm7 C**

To get so high

**G**

**Dm7**

I can t kick the habit (x2)

Can t kick the habit  
To save my soul  
1 foot in heaven

1 in the hole  
My whole focus  
In a poison picture show

Can t turn it off alone (3x)

CHORUS:

Solo: **G Dm7 C Cm**

**G**  
If I let you in  
**Dm7**  
Will you let me in?  
**C**  
If I let you in  
  
Will you let me in?  
**Cm**  
Will you let me in?

**G Dm7**  
I can t kick the habit

**G Dm7** (x?)
