Spin Doctors: Mary Jane (From the album: Turn it Upside Down)

Posted by Dennis Westlind (dennis.westlind@svet.lu.se)

This is kind of an easy song, but it is so cool that it should be posted anyway. Good message for today's youth. Remember: The Kind is a terrible thing to waste.

(CHORUS:)

**D G D G**  
Mary Jane, Mary Jane  
**D**  
Please don't leave me baby  
**G D G**  
I'll just find you again

(VERSE 1)

**D G**  
I asked my uncle  
**D G**  
If I could go  
**D G**  
Yes, yes go out and take  
**A**  
Mary Jane to the picture show  
**D G**  
But uncle bob sighed  
**D G**  
He could not answer  
**D G**  
He dies one second before  
**A**  
In the arms of a go-go dancer

(Chorus)

(BRIDGE:)

**A G**  
I wanna roll you

**C**  
way down in the fields

**D**  
where you were born

**A** **G**  
I wanna roll you

**C** **D**  
When I'm ragged

**D**  
And forlorn

(Guitar solo, chorus pattern)

(Bridge)

You have no friend  
You have no pet  
If there's anything better than you  
You know I haven't found it yet

(Chorus, fade to end.)
