[Intro]

E
We came like babies
E **A**
From our home across the sea to see America
D **A**
And the people opened up their arms
E
To welcome us... to America

E
We came like children
E **A**
From a far and distant land to see America
D **A**
And the golden sun of freedom
E
Filtered down to us, in America

D **A**
And the people stood and stared
D **E**
Loved us more than we had dared to, in America
