[Verse 1]

We are the children who grew too fast

We are the dust of a future past

G A B C

We raise our voices in the night

D E F

Crying to heaven

E F

And will our voices be heard

A E D C D E C D E

Or will they Break Like The Wind

[Verse 2]

We are the footprints across the sands

We are the thumb on a stranger s hand

G A B C

We made a promise in the night

D E F

Swearing to heaven

E F

Is this a promise we keep

A E D C D E C D E

Or one we Break Like The Wind

[Verse 3]

We are the guests who have stayed too long

We are the end of the endless song

G A B C

We send our hearts into the night

D E F

Soaring to heaven

E F

And will our hearts still beat on

A E D C D E C D E

Or will they Break Like The Wind

A E D C D E C D E

Ooh, Break Like The Wind
