**E**(low)

Knockin on your door

**Eb**

Will you let it come?

**C#**

Will you let it run your life?

1984

Knockin on your door

Will you let it come?

Will you let it run your life?

**Ab**

**E**

Someone will be waiting for you at your door

**C# Eb Ab**

When you get home tonight

**Ab**

**E**

Ah yes, he s gonna tell you darkness gives you much more

**C# Eb Ab**

Than you get from the light

**Ab**

**E**

Classic plastic guards well they re your special friend

**C# Eb Ab**

He sees you every night

**Ab**

**E**

Well he calls himself the brother but you know it s no game

**C# Eb Ab**

You re never out of his sight

Chorus

It s time you started thinking inside your head

That you should stand up and fight

Oh just where will you be when your freedom is dead

Won t you listen tonight?

Those classic plastic coppers, they are your special friends

They see you every night

Well they call themselves protection but they know it s no game

You re never out of their sight
