

Soul On Fire
Spiritualized

No Capo
Standard Tuning

Chords: **E** **A** **B** **A**

E

You were born on a black day

A

Shot through with starlight

B

And all the angels singing

A

Just about got it right

Cut through the silver

And goodness did heaven know

I donâ€™t know where weâ€™re going

But darling bless your soul

E

A

Baby, set my soul on fire.

B

A

Iâ€™ve got two little arms to hold on tight and I want to take you higher.
