Bass	g-----	Guitar -----7--
	d-----9-----	999999-----
	a-----9---9---	999999-----
	e--77-----7-	777777-----

B

Dirty Creature come my way from the bottom of a big black lake

E

Shuffles up to my window making sure I m awake

B

S probably gonna pick my brain

E

Got me in a vice-like grip

He said one slip, your dead. Ha.

B

Dirty Creature of habit, Little horror here to stay

E

Anyone in his right mind would tell it to go away

B

But the river of dread runs deep, full of unspeakable things

E

The creature don t mess around

I don t wanna mess with him

C

I don t wanna sail, I don t wanna sail

B

I don t wanna, I don t wanna sail tonight

A **B** **C**

Dirty Creature s got me at a disadvantage from the inside.

B

Tentacles on the brain keep me from falling asleep

E

I m rooted to the spot, The beast don t know when to stop

B

Sneaking up from behind, Binds and gags my wits

E

Dirty Creature got my head exactly where he wants it

C

I don t wanna sail, I don t wanna sail,

B

I don t wanna, I don t wanna sail tonight,

A **B** **C**

Taniwha is waiting for me just below the surface so bright

B
(Yeah-eah-eah-eah)

A **B** **C**
Even as we speak the Dirty Creature springs a nasty surprise.

B (solo, go nuts)

B
Dirty Creature knows my type found it in a magazine

E
He s seen the look of fear before splattered all over the screen

B
The animal magnet thug draws me out of myself

E
I need a dragon-slayer who can save me from myself

C
I don t wanna sail, I don t wanna sail,

B
I don t wanna set sail for the middle of nowhere tonight

A **B** **C**
Dirty Creature s got me at a disadvantage from the inside

B
(Yeah-eah-eah-eah-eah)

A **B** **C**
I don t wanna sail upon the waters of invention tonight
