

**Youre The One
Spoken**

I m pretty sure this is right, i played it like 20 times to make sure.
But im open to corrections (sorry about the first try but i revised it
with this one)

Capo 1

Intro: **B D**

Verse **B D**

Baby, does it bother you that I watch you when you sleep?
maybe we should stay here for a while and dream.

A G

I d never think of letting go.

Chorus **D B A G**

I ll be the only one that you will ever need.
I ll be the one who s right there.
I will be your dream.

Verse **B D**

One day, I will take you far away.
just you and me.
Maybe, you would take me by the hand and be mine.

A G

I d never think of letting go.
I will never let you go.

Bridge

G A B

I m the one that your heart will love.

G A B A

G A B D E

you re the one that my heart is dreaming, my heart is dreaming.

Chorus **D B A G**

I am the only one that you will ever need.
I ll be the one who s right there,
I will be your dream
