

**Youre The One  
Spoken**

I m pretty sure this is right, i played it like 20 times to make sure.  
But im open to corrections (sorry about the first try but i revised it  
with this one)

Capo 1

Intro: **C# E**

Verse **C# E**

Baby, does it bother you that I watch you when you sleep?  
maybe we should stay here for a while and dream.

**B A**

I d never think of letting go.

Chorus **E C# B A**

I ll be the only one that you will ever need.  
I ll be the one who s right there.  
I will be your dream.

Verse **C# E**

One day, I will take you far away.  
just you and me.  
Maybe, you would take me by the hand and be mine.

**B A**

I d never think of letting go.  
I will never let you go.

Bridge

**A B C#**

I m the one that your heart will love.

**A B C# B**

**A B C# E F#**

you re the one that my heart is dreaming, my heart is dreaming.

Chorus **E C# B A**

I am the only one that you will ever need.  
I ll be the one who s right there,  
I will be your dream
