Verse I:

Bm A G A
If your world gets lost, Rest assured I am yours

G D G A
Even for a while, will make it last a million miles

Bm **A** **G**
 Don t ever be afraid life
 A **G** **D**
 Has ways of keeping you safe, across this endless stars
G **A**
 I ll take you home it won t be long

Refrain:

Bm **A** **G**
 I m still not used to life, being spent without you
A **Bm** **A**
 Every breathing moment, I ll be counting the days and nights
G **A** **G** **A**
 Till I m free to fly, free to fly with you by my side

Verse II:(Verse Chords)
On the fields I chase the answers
Been in front of my face
Tomorrow I can see
I live, I breathe for you and me

Refrain:

Bm **A** **Bm** **A**
I hang on to the sound, as your whole day around
Bm **A** **Bm** **A**
Complete and I leap forward from my sleep
G **A** **G** **A**
Never let you go, Never close my eyes

G **A** **G** **A**
As we touch the ground, you I ll protet with my life

(Verse Chords)

If your world gets lost, rest assured I am yours
I m still not used to life, being spent without you every
breathing moment, I ll e counting the days and nights
Till I m free to fly, free to fly with you by me side.
