Verse:

Eb

Time spend my time

G#m

Dreaming of ways to make the empty days

Eb

go by without me, You always come and go

G#m

You ll never really know how much you ve lost

Until it drags you in

Chorus:

Eb

G#m

Lights racing by, to ignite the sky

Cm

Bb

Close your eyes, Everything comes to life

Eb

G#m

Lights racing by, To ignite the sky

Cm

Bb

Close your eyes, Everything comes to life

Verse II: (Do Verse CHords)

Space, Just looking for a face

Or a lean well-lighted place for my surrender

Waves, were never meant to last

Letting go so fast when teh yembrae you

(repeat chorus)

Cm

Bb

Please slow down, oh won t you please slow down now

(repeat chorus)

Cm

Bb

Please slow down, feel what I feel deep down

Cm

Bb

Please slow down, Please slow down
