Intro: D--

Verse:

D **D**
Almost had myself fooled, thinking all was fine
Without you I am empty

D **G**
You made me who I am, And what could rise
Keep ths alfoat forever

Refrain:

F#m G F#m G
But I m afraid, I have to say bye now
F#m G F#m G
It s getting late, I have to get by somehow

Chorus:

D A F#m
I ve seen saturn thru a telescope
Bm D A F#m
And Im losing hope, It doesn t matter if you don t let go
G
As long as I know, you know

Verse: (Do Verse Chords)

I want to hold you, Coz this just might be our last
You re the miracle about me, I see desire in the midst of casual eyes
Keep this afloat forever

(repeat refrain)

Bridge:

D F#m

And now you ll take flight

D

Take my soul with you, before we see tonight

F#m

If you ll be gone tomorrow

D

You ll be right here, you ll be right here

F#m G

You ll still be here (fixated)

Chorus 2:(Do Chorus Chords)

I ve seen saturn thru a telescope

And I m losing hope in you

It doesn t matter if you don t let go

As long as I know...

(repeat chorus and repeat chorus 2)
