

Stones Throw
Sponge Cola

bear with me.. i m 14 and new to this thing. been playing for only for about a year.

listen to the song for reinforce your strumming and timing. spongecola na to!

verse 1

D **A** **G** **A**
Try to see through, cracks and mildew

D **A** **G** **A**
And turn the mirror upside down

D **A** **G** **A**
Cosmic force field, withered windshield

D **A** **G** **A**
Faster than the speed of sound

C **Bm** **C** **D**
Ooooh...coming on the floor...ooooh.....

D **C** **D** **C**
Tear these skies with fireflies,

G **A**
Take a trip to paradise

D **C** **D** **C** **G**
No surprise you ve got trenches in your eyes,

A
Maybe this is paradise

verse 2

juz use teh same chords over again. message me if you need help.

Everybody wants somebody
I won t have this stolen crown
Just a stone s throw, silent scarecrow
Got enough to go around

Ooooh...coming on the floor...ooooh

(repeat chorus 2x)
