My Mathematical Mind

Oh! Yes!

**Gm**

I want to change, your mind.  
Said I want to set it right, this time.  
I m looking through you, you know who you are.

**G**

And planning for the apocolypse is,

**Bb A**

Not considered, considered cool,

**G**

I don t suggest it myself.

**Gm**

You know I won t sweat.

**G**

I want to change, your ways.

**Gm**

I said I m gonna get it right, one of these days.

**Gm G**

And I m looking through you, riding the brakes.

**G**

And bringing about the apocolypse is,

**Bb A**

Not considered, considered cool.

**F**

And you go settin it up,

**C**

But never give it a thought,

**Gm**

Just go settin it up.

**Gm G**

My mathematical mind,  
can see the brakes.

**Gm G**

Say I m gonna stop,

**Gm**

riding the brakes.

**G Gm**

No no no more, riding, the brakes.  
No more riding, riding the brakes.  
Said I m gonna see, the stakes.  
Yeah, I m gonna see, the stakes.  
Yeah, I m gonna ride.  
Yeah, I m gonna ride.

Aw I m gonna see.

Yes I m gonna see.

I m gonna see the stakes.

I m gonna see the stakes.
