Riff

Now carole don t get ahead of yourself
Don t say nothing right no
I ll take it anywhere you let it go

B

Everything moving so fast

Am

It ll take you a place where you can t get back
And I ve seen it enough
You gotta make me shut up

Riff

So there s something to look forward to
Gimme something to look forward to

Your mistakes your merciless eye
Your Chicago manual of style
It only s got to go just as far as we let it go
So carole let me know

B

So many things we could say

Am

So many things we could let get out
But you stay in instead
Some things are best left unsaid

Riff

Gimme something to look forward to
