Stunted
SPORTS (Remember Sports)
[Verse 1]
              A
So this is where everything leads
Looking around at old pictures of me
   G#m A
The ashes are stuck to your shoes
Things that appear like first signs of a bruise
 G#m A
I really hope we don t lose
 G#m A
I really hope we don t lose
[Interlude]
G#m A E
G#m A E \times 4
E x10 (measured down-strums)
[Verse 2]
So this is where everything leads
      A
You can pretend that you re nothing to me
          A
When everyone s making me choose
G#m A
            E
Write you another sorry excuse
 G#m A E
I really hope we don €Â™t lose
 G#m
       Α
I really hope we don t lose
[Bridge]
 B F#m
                A E
Am I who you always wanted?
 B F#m A
Are you the reason I €Â™m stunted?
              F#m A E
You got what you wanted
We both got what we wanted
