

Left Behind
Spring Awakening

[Verse 1]

G
You fold his hands and smooth his tie, you gently lift his chin.
C
Were you really so blind, and unkind to him?
Em
Can t help the itch to touch, to kiss, to hold him once again.
Am **C**
Now to close his eyes--never open them....

[Pre-Chorus]

G **C** **Am** **C**
A shadow passed, a shadow passed, yearning, yearning
Am **C**
For the fool it called a home.

[Chorus 1]

G **C**
All things he never did are left behind.
Em
All the things his mama wished he d bear in mind,
Am **C**
And all his dad had hoped he d know.
G
The talks you never had, the saturdays you never spent.
C
All the grown-up places you never went.
Em
And all of the crying you wouldn t understand.
Am **C**
You just let him cry, make a man out of him.

[Pre-Chorus]

G **C** **Am** **C**
A shadow passed, a shadow passed, yearning, yearning
Am **C**
For the fool it called a home.

[Chorus 2]

G **C**
All things he ever wished are left behind..
Em
All the things his mama did to make him mind,
Am **C**
And how his dad had hoped he d grow.

[Chorus 3]

G **C**
All things he ever lived are left behind.

Em
All the fears that ever flickered through his mind.

Am **C**
All the sadness that he'd come to own.

[Outro]

G **C** **Am** **C**
A shadow passed, a shadow passed, yearning, yearning

Am **C**
For the fool it called a home.
