

The Word Of Your Body  
Spring Awakening

**Am** **Em**  
Just too unreal, all this  
**Am** **Em**  
Watching the words fall through my lips  
**F#** **B**  
Baiting some girl with hypotheses  
**F#** **B**  
Haven t you heard the word of your body?

**Am** **Em**  
Don t feel a thing, you wish  
**Am** **Em**  
Grasping for pearls with my fingertips  
**F#** **B**  
Holding her hand like some little tease  
**F#** **B**  
Haven t you heard the word of my wanting?

**Am** **E**  
Oh, I m gonna be wounded  
**G** **D**  
Oh, I m gonna be your wound  
**Am** **Em**  
Oh, I m gonna bruise you  
**F** **G**  
Oh, I m gonna be your bruise

**Am** **Em**  
Just too unreal, all this  
**Am** **Em**  
Watching his world slip through my fist  
**F#** **B**  
Playing with her in your fantasies  
**F#** **B**  
Haven t you heard the word how I want you?

**Am** **E**  
Oh, I m gonna be wounded  
**G** **D**  
Oh, I m gonna be your wound  
**Am** **Em**  
Oh, I m gonna bruise you  
**F** **G**  
Oh, I m gonna be your bruise

\*For the B chords in the verses, you can slide the F# position up to the seventh fret.

Also, I do ornaments on the Em in the verses and the D in the chorus. It s just a personal preference though. I hope you enjoy!
