

**Some Suck Some Rock  
Sponge**

hey there this is my first tab so soz if it s wrong

this is just the main riff but they basically play it the whole song so there u  
go.  
it rules!

```
e |-----|  
B |-----|  
G |-----|  
D |-0-0-454-0-4-----2h0-----|  
A |-----0-0--7h5-----|  
E |-----3-3-----|
```

not sure if those are hammers or just being playing really fast. play how u  
like!
