Electric Trains  
(Difford/Tilbrook)

Vocal: Glenn

Chords typed up by Geordan Rosario, but thought up by Glenn Tilbrook.  
Remember that one, folks.

I figured out the chords from a videotape of their performance on  
Conan O'Brien, so if there are blatant errors, that s probably  
where they re from. Also, my tape was cut off, so I don t know the  
ending!
