

**Happy Days**  
**Squeeze**

*Intro: / Gmaj7 / E6 /*

**A**                      **G#m**                      **C#**  
Enough of London, let's take a break  
**F#m**                      **D**                      **E**  
No more excuses, no time to waste  
**A**                      **D**                      **C#m**  
Pack up a suitcase, drive to the coast  
**Bm**                      **D**                      **A**  
Just for the weekend, let's hit the roads

**D**                      **D/B**                      **Bm**  
Happy days in the haze of summer  
**A**                      **F#m**  
Happy days being with each other  
**E**  
We're gonna take a break by the rolling sea  
**G**                      **D**  
The perfect summer, just you and me

**A**                      **G#m**                      **C#**  
Up in the clear sky, just feel the breeze  
**F#m**                      **D**                      **E**  
And take some shelter, beneath the trees  
**A**                      **D**                      **C#m**  
All of the summer, sun's beating down  
**Bm**                      **D**                      **A**  
Within the country, but out of town

**D**                      **Bm**  
Happy days in the haze of summer  
**A**                      **F#m**  
Happy days being with each other  
**E**  
We're gonna take a break by the rolling sea  
**G**                      **D**  
The perfect summer, just you and me

**A**                      **G#m**                      **C#**  
The light is fading, it's time to leave

**F#m**                    **D**                    **E**  
 So we drive home, back to the heat  
**A**                                    **D**                                    **C#m**  
 Sitting on my sofa, with friends coming round  
**Bm**                                    **D**                                    **A**  
 We're home from the country, I'm back in town  
**D**    **Bm**  
 Happy days in the haze of summer  
**A**    **F#m**  
 Happy days being with each other  
**E**  
 We're gonna take a break by the rolling sea  
**G**    **D**  
 The perfect summer, just you and me

**D**                                    **D/B**                                    **Bm**  
 Happy days in the haze of summer  
**A**    **F#m**  
 Happy days being with each other  
**E**  
 We're gonna take a break by the rolling sea  
**G**    **D**  
 The perfect summer, just you and me

(Single ends here): **A**

(Album track continues):

**A**    **D**  
 We're gonna take a break, by the rolling sea  
**A**    **D**  
 We're gonna take a break, by the rolling sea  
**A**  
 Oh we're gonna take a break, and feel the  
**D**  
 breeze, feel the breeze

Repeat/ad lib/fade:

**A**  
 We're gonna take a break, by the rolling sea  
**D**  
 We're gonna take a break, by the rolling sea
