

Hope Fell Down
Squeeze

From the Difford & Tilbrook album

Arpeggios intro: You re on your own here!

VERSE:

D **Em7**
Youâ€™re banging your drum

C **G**
You blow your own trumpet

D **Em7**
Your ship came in

C **G**
And your fanfare sunk it

D **Em7** **F** **G**
The tide has turned, our loveâ€™s gone forever, ever

Em7 **F#m7**
I stand on the shore

G **G/A**
As it floats down the river, river

CHORUS:

D/F# **F6**
I had such hopes

Bb **G G/A**
I had such visions planned

D/F# **F6**
The frames were shot

Bb **G G/A**
But now our futureâ€™s canned

A6 **G9**
I had my hopes so high they fell right down

A6 **G9**

I had my hopes so high they fell right down

VERSE:

D **Em7**
Iâ€™m banging my head

C **G**
You watch without malice
(You watch with no interest at all)

D **Em7**
I bet all your friends

C **G**
Compare this to â€œDallasâ€•
(I might as well talk to a brick wall)

D **Em7** **F** **G**
So under the arm I feel the cold shoulder

Em7 **F#m7**
So Iâ€™ll once again

G **G/A**
have to play the wild rover

REPEAT CHORUS:

INSTRUMENTAL:

D/F# **G** **C/A C/B** **G/D G/E**

D/F# **G** **C/E C/A** **G** **G/A**

D/F# F6 **Bb** **G G/A**
Do I need all this pressure

D/F# F6 **Bb** **G G/A**
Do I bury my temper

D/F# **F6**
I had my hopes so high they fell right down

A6 **G9**
I had my hopes so high they fell right down

D/F# **F6** **A6** **G9**

(Ad lib vocals)

D/F# **F6** **A6** **G9**

CODA:

D/F# G C/A C/B G/D G/E

D/F# G C/E C/A G/D D

(slow tempo to finish)
