Verse 1

=====

```
          C7                F7
When the hangover strikes and I open my post
          C7
And the coffee is on
          F7                Fm
And I m burning my toast I let the battle commence
          C                Dm
I see a sun in the trees and a draught at the door
          Em                Bb7
With my head in my lap there s a day
          Riff 1 Ab7          G7          C7          F7          C7          G7
To ex-plore          but I m left without sense
```

Verse 2

=====

```
          C7                F7
As the hangover strikes and I turn on the tap
          C7
But the water s too loud
          F7                Fm                B7
And I m caged by the fact that the battle s not lost
          C                Dm
Is it the hair of the dog or the baa of the lamb
          Em                Bb7
In a sheepish attempt to be half
          Riff 1 Ab7          G7          C7          F7          C7          G7
```
