In My Mind SR-71 In My Mind SR-71 by Andrew Eb Tuning I saw SR-71 last June at the Recher right after Jeff their bassist died. Mitch stood up and played an acoustic version of this song all by himself, and dedicated it to Jeff. I decided to post this in case any of you were wondering how he played it. Intro/Verses Bb-----2----2----2----2----2h3---| Ab-----| Eb-----| That lick above just repeats through both verses. (It s a Dsus2 chord) Chorus D Α Em7 There in my mind, in my dreams you can hide, and every night I m gonna bring you back to life! D Em7 Α There in my mind, just like an angel bathed in light, Α tellin me everything s gonna be alright... (Dsus2)D ... if I can just fall asleep tonight. Bridge(only strum the downbeats) Dsus2 Α Have you ever felt so helpless, Em7 the walls built to protect us, Dsus2 suddenly are gone? Dsus2 Α And you hate everything that s breathing, Em7 the life you re used to cheating, Dsus2

has finally caught on.
