

Champagne Year
St. Vincent

Record : <http://bit.ly/oArVJ4>

Live : <http://bit.ly/ISiADv>

It s worth noting that the recorded version is played in A minor, and the live version

is a step up

in B minor. I have written out the chords, the chords in parentheses are optional, and would

suggest listening to the recorded track and timing the chord changes with the bassline

and then

depending on your arrangement, adjust the tempo and the rhythms.
