

Strong Enough
Stacie Orrico

G **C**
As I rest against this cold, hard wall, Will you pass me by?
Em **D**
Will you criticize me as I sit and cry?
Em **G** **C**
I had fought so hard and thought that all my battles had been won
Em **D** **C** **D**
Only to find the war has just begun

Em **C**
Is He not strong enough?
Em **C**
Is He not pure enough?
F **D**
To break me, pour me out, and start again
Em **C**
Is He not brave enough?
Em **C**
To take one chance on me
F **D**
Please can I have one chance to start again?

G **C**
Will my weakness for an hour make me suffer for a lifetime?
Em **D**
Is there anyway to be made whole again?
Em **G** **C**
If I m healed,renewed, and find forgiveness find the strength I ve never had
Em **D**
Will my scars forever ruin all God s plan?

Em **C**
Is He not strong enough?
Em **C**
Is He not pure enough?
F **D**
To break me, pour me out, and start again
Em **C**
Is He not brave enough?
Em **C**
To take one chance on me
F **D**
Please can I have one chance to start again?

G **C** **Em** **D**
He took my life into his hands and it turned it all around
Em **F**
In my most desperate circumstance, it s there I ve finally found

Em **C**
That You are strong enough
Em **C**
That You are pure enough
F **D**
To break me, pour me out and start again
Em **C**
That You are brave enough
Em **C**
To take one chance on me
F **D**
Oh Thank You for my chance to start again
