

Excess Baggage
Staind

Tuning: 1/2 a step down
Tabbed by Erik Nilsen

Every says that this song is easy. It is. Yet still when they try to tab it, they mess up. This is 100% right, but if you don't tune down it sounds awful when you sing. Listen to the CD for the timing on the lyrics. It is on Dysfunction- Track 9- 17:09 (time).
