Standard tuning: low to high EADGBE

This is basically how it goes:

Intro

```
E-----  
B-----  
G-----0----- Play 4 times  
D-----4-----4-----  
A-----2-----2-----  
E---0-----
```

```
E-----  
B-----  
G-----0----- Play 4 times  
D-----4-----4-----  
A-----2-----2-----  
E---3-----
```

The verse is the same as the intro with the same picking pattern.

Chorus

```
E-----  
B-----0-----  
G-----2-----2----- Play 2 times  
D-----2-----2-----  
A---0-----  
E-----
```

```
E-----  
B-----0-----  
G-----0-----0----- Play 2 times  
D-----2-----2-----  
A---3-----  
E-----
```

The rest just repeats: verse, chorus, verse, chorus, etc.  
That s about the jist of it.
