 This is my
D#m B F# C#
Life It s not what it was before
D#m B F# C#
All these feelings I share And these are my
D#m B F# C#
dreams That I ve never lived before
D#m B F# C# B
Somebody shake me cause I I must be sleep-ing

F# C# D#m
 Now that we re here so far away
 B F#
All the struggles we thought were in vain
 C# D#m
And all the mistakes one life can take
 B F#
They finally start to go away
 C# D#m
And now that we re here so far away
 B F#
And I feel like I can face the day
 C# D#m B
I can forgive and I m not a-shamed of the person that I am today.

These are my
 D#m B F# C#
 Words That I ve never said before
 D#m B F# C#
