by STAMPEAD

[E]Commotion commotion, shaking my head  
[A]Everybodyâ€™s trippin, on a sour death [E]bed  
[E]Waving there fists at the crowd outside I could [c#m]be mad  
ya [B]

But I smile instead[E]

And I [E]picture myself in a rainforest  
With a girl feeding me grapes[A]  
And we [E]do what we do quickly  
before the clouds rains [c#m]escape  
ya [B]

Itâ€™s all [E]commotion commotion, shaking my head  
I got some [A]echoes in my ears and my eyes all red  
[E]Everybodyâ€™s crazy over banks of bread  
I could be [c#m]mad, ya [B] but I smile instead[E]

And the [E]queen on her thrown on the telephone  
She calls me so [A]quietly  
And she [E]whispers in a voice even she canâ€™t hear  
Do you [c#m]miss me?  
ya [B]  
But I [E]donâ€™t

Itâ€™s all [E]commotion commotion, shaking my head  
I got some [A]echoes in my ears and my eyes all red  
And I [E]share the wine, I share the bread  
I [A]donâ€™t know how you ended up in my bed  
Itâ€™s all [E]commotion commotion shaking my head  
I could [c#m] be mad, ya [B], but I smile instead[E]

[E]And the love lines cut as we walk on the line  
[A]I ainâ€™t got no desire to set her flag on fire  
[E]Iâ€™ve been burned before and Iâ€™ve been wed  
I could [c#m]be mad  
ya [B]

[E]So donâ€™t look back just to show me your tears  
[A]Cause youâ€™ll look back and laugh in a couple of years  
[E]Iâ€™m unstable and unable to face my fears  
[A]Just caught in the commotion with you my dear  
[E]Itâ€™s all commotion commotion, shaking my head

I could [c#m]be mad

[A] [B]

[F#]Commotion commotion, shaking my head

[B]I got some echoes in my ears and my eyes all red

And I [F#] sit on my couch here with legs of lead

I could [d#m]be mad, ya [C#], but I smile instead[F#]
