1..2..3..4..1..2..3..4..1..2..3..4..1..2..3..4

verses

pattern

1/.2/.3..4..

G all the way with verce with this pattern

Sometimes when your hopes have all been shattered
And there s nowhere to turn
You wonder how you keep going
Think of all the things that really mattered
And the chances you ve earned
The fire in your heart is growing
You can fly, if you try leaving the past behind
Heaven only knows what you might find

chourus

pattern you can be a bit creative with this bit i choose 1//2/.3//4/.

G **C** **D**
Dare - dare to believe you can survive
G **C** **D**
You hold the future in your hand
G **C** **D**
Dare - dare to keep all of your dreams alive
C
It s time to take a stand
1..2..3..4..1..2..3..4..
And you can win, if you dare

the odd solo part near the end

your playing Em with the 1//2..3..4.. pattern

this is not accurate just i found it annoying that nobody had posted this song
so i
to work it out easy way plz post corrections
